Agenda: The agenda was accepted. (m/sc Gough, Wagner, C)

Minutes: The minutes were approved as amended. (m/sc Gough, Darrow, G)

Treasurer's Report: Chuck presented the financial report. (See notebook) The balance remained the same as last week, \$1,457.

Resort Tax: Still looking for a chairman

Subcommittee: Edd Blackler, acting on his motion of last week, reported he has scheduled an open meeting with "various entities" of the community to discuss Potoczny Field land use. It is scheduled for Friday January 5, 2007 at 4:00 at Bethany Lutheran Church. The remainder of the meeting was more discussion on the library search, fire station problem and needs, safety of the area, and widening of the highway. George Darrow remarked that, Bigfork is growing, their needs are growing, land use planning is here and here to stay and now it is the time to refocus and do utility planning. The various services, library, fire, water etc. and the whole Bigfork Community need to come together, to discuss their needs, wants, ideas, and thoughts of where Bigfork should be going to accommodate their growth,

The rest of the agenda had no items for discussion and was suspended.
The meeting was adjourned at 1:17

Pat Wagner, Secretary
